

WHAT'S NEW IN PREK II ??

In May & June...

It is hard to believe that this is the last newsletter for the school year. It has been an absolute joy watching your children blossom right before our very eyes. They have grown so much academically, socially and are showing more maturity. The strides each and every one of them has made has been tremendous. Thank you for sharing your children with us. We wish each of you a summer full of laughter, fun and memories to last a lifetime.

Core Virtues

The children have truly embraced the core virtues each and every month throughout this school year. We had many wonderful discussions and read many fabulous stories to help us gain a better understanding of each and every one. We will conclude this school year with two more very important virtues for the children to explore and understand. May's core virtue is **HOPE** and June's core virtue is **HEROISM**. We look forward to helping the children gain a deeper understanding of both of these important virtues as we watch their little characters develop!

It's Showtime!

The songs have been taught, the lines have been memorized, costumes are ready and the children are excited!! Friday, May 6th at 8:30 will be PreK II's play *The Picnic Adventure*. The morning promises to be full of laughter and surprises. Please join us for the cast party immediately following the play in the cafeteria. We are asking each family to bring something to share with the group for the party. If you are unable to attend the performance on Friday, we will have a dress rehearsal Thursday at 10:00am for the students. You are welcome to see the show then as well.

On-Site Field Trips

On Tuesday, May 3rd the Sugar Fairy AKA Marsha Broniszewski will visit the PreK II classroom. Marsha will be helping the children make their own special lollie to present to their Mother's for a special Mother's Day treat. During the week of May 9th, Allan Echko from ABRAKADOODLE art will come to SEA for a wonderful on-site field trip. Allan will discuss what an artist does with the children and the types of mediums used to make their masterpieces. Each child will then have an opportunity to create their own masterpiece which will be framed and become a wonderful keepsake for each child.

Upcoming Events

Friday, May 6th PreK II Play- 8:30 PLEASE HAVE YOUR CHILDREN TO SCHOOL BY 8:00

Wednesday, May 18th PreK II parents go to Kindergarten classroom for orientation 8:30-9:15
